Subject: [EXTERNAL MESSAGE] BB&T Merger
Date: Tuesday, June 04, 2019 1:38:52 PM

Hello

As a satisfied customer of BB&T and I am writing this in support of the current merger with SunTrust. I went through a previous merger as I was originally a National penn bank client. BB&T went above and beyond in helping all of their clients during the transition. We have received exceptional support from our local branch from Kathy Dietrich and her team, also the support we have gotten from Cathy [REDACTED] and her group in securing the Line of Credit needed to grow our business has been excellent.

Luis [REDACTED] and the cash management online group has been recently working on getting our business more competitive and nimble by sharing the latest banking tools available

Suntrust is a respected brand in their market, I expect nothing but good things from this merger and look forward to remaining a satisfied client of the bank.

Warm Regards,
