INSTRUCTIONS FOR COMPLETING AND FILING FORM G-FIN-5

GENERAL INSTRUCTIONS

This report is required by Section 15C of the Securities Exchange Act of 1934 (15 U.S.C. 78o-5) and the regulations thereunder, 17 CFR 400.4. The Department of the Treasury and the appropriate regulatory agencies, as defined below, regard the information provided by each respondent as confidential.

1. As used in these instructions and Form G-FIN-5:
 - a. The term financial institution government securities broker or dealer means a government securities broker or dealer that is a financial institution and that has not been exempted from regulation as a government securities broker or dealer under Part 401 of Title 17, Code of Federal Regulations; and
 - b. The term person associated with a financial institution government securities broker or dealer means a person, other than a person whose functions are solely clerical or ministerial, who is engaged in any of the following activities in either a supervisory or non-supervisory capacity: (i) underwriting, trading or sales of government securities; (ii) financial advisory or consultant services for issuers in connection with the issuance of government securities; (iii) research or investment advice, other than general economic information or advice, with respect to government securities in connection with the activities described in clauses (i) and (ii); (iv) activities other than those specifically mentioned which involve communication, directly or indirectly, with public investors in government securities in connection with the activities described in clauses (i) and (ii) above. The term also includes anyone directly engaged in the following activities in a supervisory capacity: (i) processing and clearance activities with respect to government securities and (ii) maintenance of records involving any of the activities described in this paragraph (b).

Persons who function solely in a fiduciary capacity and persons whose sole government securities activities are, without exercising any investment discretion and solely at the direction of customers, to receive and/or transmit customer orders to purchase or sell government securities, but who do not give investment advice or receive transaction-based compensation, are not "associated persons" and are not required to file this form. Directors and senior officers of the financial institution who may from time to time set broad policy guidelines affecting the financial institution as a whole that are not directly related to the conduct of the financial institution's government securities business are not considered to be "directly engaged" in the activities described in this paragraph and are not required to file this form.

2. Form G-FIN-5 is to be used by financial institution government securities brokers and dealers to report the termination of association of a person with the financial institution government securities broker or dealer as provided in the rules of the Department of the Treasury, 17 CFR 400.4.

This form should be used only when a Form U-5 or MSD-5 has not been filed with respect to such person. Termination includes transfer of an individual to another position in the financial institution that does not involve the individual in the activities included in the definition of person associated with a financial institution government securities broker or dealer.

3. Financial institution government securities brokers and dealers are required to file Form G-FIN-5 with the appropriate regulatory agency as set forth below:
 - a. The Comptroller of the Currency in the case of a national bank, a bank in the District of Columbia examined by the Comptroller of the Currency, or a Federal branch or Federal agency of a foreign bank (as such terms are used in the International Banking Act of 1978);
 - b. The Board of Governors of the Federal Reserve System, in the case of a State member bank of the Federal Reserve System, a foreign bank, an uninsured State branch or State agency of a foreign bank, a commercial lending company owned or controlled by a foreign bank (as such terms are used in the International Banking Act of 1978), or a corporation organized or having an agreement with the Board of Governors of the Federal Reserve System pursuant to section 25 or section 25A of the Federal Reserve Act;

- c. The Federal Deposit Insurance Corporation, in the case of a bank insured by the Federal Deposit Insurance Corporation (other than a member of the Federal Reserve System or a Federal savings bank) or an insured State branch of a foreign bank (as such terms are used in the International Banking Act of 1978); and
 - d. The Securities and Exchange Commission, in the case of all other financial institution government securities brokers and dealers.
4. Copies of Form G-FIN-5 may be obtained from any of the appropriate regulatory agencies listed in instruction 3.
 5. An original and two copies of Form G-FIN-5 and any attachments are to be filed by the financial institution government securities broker or dealer with the appropriate regulatory agency listed in instruction 3 within 30 days after termination of the association of the individual named in item 1, except that (i) if the financial institution notifies the appropriate regulatory agency that the individual will remain in the financial institution's employment and the financial institution continues to update information about such person as provided in 17 CFR 400.4(b), the Form G-FIN-5 need not be filed until within 30 days after the termination of the individual's employment with the financial institution, and (ii) if the financial institution is required to and has filed a Form U-5 or MSD-5 with respect to such person, the Form G-FIN-5 need not be filed. A financial institution government securities broker or dealer filing a Form G-FIN-5 shall retain an exact copy in its records for at least three years following its filing.
 6. If more space is needed to complete an answer, an appropriate designation shall be entered in the answer space provided, and one or more attachment sheets shall be used to complete the response. All attachments shall be submitted in the same format as the items to which response is made and should be typed on white 8-1/2 by 11 inch paper. Answers to more than one question may appear on an attachment sheet if the questions are clearly identified. Attachments should be paginated and the name of both the applicant and the financial institution government securities broker or dealer should appear on every attachment sheet.
 7. Form G-FIN-5 and any attachments may be duplicated by any method which produces legible copies of type size identical to that of the Form G-FIN-5 on white 8-1/2 by 11 inch paper.
 8. Form G-FIN-5 shall be manually signed by the supervisor of the person named in item 1.
 9. All items on Form G-FIN-5 are to be completed, except that disclosure of the individual's Social Security number is not required if that information is unavailable. The date on which the Form G-FIN-5 is received by the appropriate regulatory agency shall be the date of filing. A Form G-FIN-5 which is not prepared and executed in accordance with the applicable requirements may be returned as unacceptable for filing. Acceptance for filing shall not constitute any finding that a Form G-FIN-5 has been completed in accordance with those requirements or that any information reported on the form is true, correct, complete, or not misleading.
