Subject: Stop unfair and abusive debit-card overdraft fees

Sep 27, 2010

Ms Sheila Bair

Dear Ms Bair,

I support the FDIC's recommendations that banks address deceptive unfair debit-card overdraft practices used to maximize the fees they charge customers.

As someone who was surprised by very high fees for small purchases, I wholeheartedly agree with the FDIC's proposals and hope that the other banking agencies will follow suit.

I have been personally affected by high fees imposed by banks. They caused significant financial pain in my life and forced me into Bankruptcy!

The banks should hear as often as possible that customers want overdraft coverage that is fair and reasonable. I hope that they listen and make the changes outlined in your guidance. Providing customers with a responsible product is not only right thing to do--it's good business.

Sincerely,

Mr. Ian Sanderson
