Re: Overdraft Payment Supervisory Guidance, FIL-47-2010, August 11, 2010

Dear Sir or Madame:

I strongly oppose the FDIC's proposed guidance (FIL-47-2010) that addresses overdraft coverage programs. Simply put now is not the time to introduce further regulation targeted at overdraft coverage products. My bank has just implemented new requirements under Regulation DD (Truth in Savings) and Regulation E (Electronic Fund Transfers) at great expense and manpower. Having to rework our bank's deposit products and to accommodate a regulatory moving target does not help my bank serve its customers.

I urge the FDIC to carefully consider this measure to ensure that the guidance does not impede my bank's ability to provide overdraft coverage services to my customers. If we are forced to abandon or significantly alter these services due to regulatory burden, the result could lead more consumers into becoming unbanked or relying on other products such as prepaid debit cards and check cashing services, which have higher fees and foster unsound financial practices.

Sincerely,
Amanda Schliebe
