Subject: Section 19 Request for Waiver and Approval

Dear Mr. Altman:

Your request for a waiver of the insured depository institution filing requirement under Section 19 of the Federal Deposit Insurance Act (Section 19) and your application pursuant to Section 19 have been approved.

The FDIC's approval reflects consideration of the information provided in your application. The accompanying Order specifically provides that your April 2, 1999, conviction of possession of marijuana with intent to sell in violation of section 11359 of the California Health and Safety Code, does not prohibit your employment by an insured depository institution pursuant to Section 19. The approval is limited to the conviction that is specifically set out in the accompanying Order. The FDIC is unaware of any other activity that would subject you to Section 19.

The Order includes the following conditions: you must provide a copy of the FDIC's approval of your Section 19 application to all insured institutions in whose affairs you wish to participate and you must be bonded to the same extent as those who hold similar positions in any institution in which you serve. Should you have a question regarding this matter, please contact Regional Director \_\_\_\_\_, 25 Jessie Street at Ecker Square, Suite 2300, San Francisco, California 94105,

Sincerely,

/s/

Associate Director
