(b) Executive summary

(1) Describe the key elements of the covered company's strategic plan for rapid and orderly resolution in the event of material financial distress at or failure of the covered company.

Any necessary resolution would be conducted under the state law through the Department of Business Oversight.

(2) Describe material changes to the covered company's resolution plan from the company's most recently filed resolution plan (including any notices following a material event or updates to the resolution plan). *If this is the first resolution plan the covered company is filing, an answer of "not applicable" is acceptable.*

No significant changes.

(3) Describe any actions taken by the covered company since filing of the previous resolution plan to improve the effectiveness of the covered company's resolution plan or remediate or otherwise mitigate any material weaknesses or impediments to effective and timely execution of the resolution plan. *If this is the first resolution plan the covered company is filing, an answer of "not applicable" is acceptable.*

No new actions as we consider the plan we have filed still works.
