Item Instructions

Item No. Caption and Instructions

- 1.a **Interest accrued and unpaid on deposits (in domestic offices)**. Report the amount of interest on deposits (in domestic offices) accrued through charges to expense during the current or prior periods, but not yet paid or credited to a deposit account. For savings banks, include in this item "dividends" accrued and unpaid on deposits. On the FFIEC 031, exclude from this item interest accrued and unpaid on deposits in foreign offices (report such accrued interest in Schedule RC-G, item 1.b below).
- 1.b **Other expenses accrued and unpaid**. Report the amount of income taxes, interest on nondeposit liabilities (and, on the FFIEC 031, deposits in foreign offices), and other expenses accrued through charges to expense during the current or prior periods, but not yet paid. Exclude interest accrued and unpaid on deposits in domestic offices (report such accrued interest in Schedule RC-G, item 1.a above).
- 2 **Net deferred tax liabilities**. Report the net amount after offsetting deferred tax assets (net of valuation allowance) and deferred tax liabilities measured at the report date for a particular tax jurisdiction if the net result is a credit balance. If the result for a particular tax jurisdiction is a net debit balance, report the amount in Schedule RC-F, item 2, "Net deferred tax assets." If the result for each tax jurisdiction is a net debit balance, enter a zero or the word "none" in this item. (A bank may report a net deferred tax debit, or asset, for one tax jurisdiction, such as for federal income tax purposes, and also report at the same time a net deferred tax credit, or liability, for another tax jurisdiction, such as for state or local income tax purposes.)

For further information on calculating deferred taxes for different tax jurisdictions, see the Glossary entry for "income taxes."
- 3 **Minority interest in consolidated subsidiaries**. Report the portion of the equity capital accounts of all consolidated subsidiaries of the reporting bank which must be allocated to minority shareholders of such subsidiaries.
- 4 **Other**. Report the amount of all other liabilities (other than those reported in Schedule RC-G, items 1, 2, and 3 above) that cannot properly be reported in Schedule RC, items 13 through 19.

Itemize and describe, with clear but concise captions, each component of all other liabilities that is greater than \$25,000 and exceeds 25 percent of the amount reported for this item. Enter the dollar amount of such components in the inset boxes provided. The descriptions of these amounts should not exceed 50 characters in length (including spacing between words).
