Part II. Loans to Small Businesses and Small Farms

Schedule RC-C, Part II is to be reported only with the June Report of Condition.

Report the number and amount currently outstanding as of June 30 of business loans with “original amounts” of \$1,000,000 or less and farm loans with “original amounts” of \$500,000 or less. The following guidelines should be used to determine the “original amount” of a loan: (1) For loans drawn down under lines of credit or loan commitments, the “original amount” of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was **most recently** approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the “original amount” is the amount currently outstanding on the report date. (2) For loan participations and syndications, the “original amount” of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the “original amount” is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.

If the box marked YES has been checked, then the bank only has to complete items 2 and 3 below. If the box marked NO has been checked, the bank must complete the remainder of this schedule.

A NO response to item 1 does not necessarily mean that the bank's actual risk-based capital ratio is less than eight percent or that the bank is not in compliance with the risk-based capital guidelines.
