Amounts reported in column B will have been included in the amounts reported in Schedule RC-B, column D.

Exclude from items 10 through 17 all securities held for trading in domestic offices and debt securities in domestic offices the bank has elected to report at fair value under a fair value option even if bank management did not acquire the securities principally for the purpose of selling them in the near term. Securities held for trading and debt securities reported under a fair value option are to be reported in Schedule RC, item 5, "Trading assets," and, for certain banks, in Schedule RC-D – Trading Assets and Liabilities.
