To whom it may concern,

Since 1965, it has been the mission of the Boys & Girls Clubs of Broward County to enable all young people; especially those who need us most to reach their full potential as productive, caring and responsible citizens. Our goal is to provide world-class club experiences that assure success is within reach of every child who walks through our doors. We want all members to graduate from high school with a plan for the future; demonstrate good character and citizenship by participating in leadership training and volunteering in community service projects; and engage in sports and activities that promote a healthy lifestyle.

With a 4-star rating from Charity Navigator for the eighth consecutive year, Boys & Girls Clubs of Broward County has a proven track record of fiscal responsibility. We are recognized as a leading advocate for youth in Broward County, providing girls and boys with a range of proven programs and services that instill a sense of competence, usefulness, belonging and influence.

The Boys & Girls Clubs of Broward County is grateful to have had the support of SunTrust and the SunTrust Foundation since 2001 which has directly enhanced our programs and facilities, allowing us to serve more kids, more often with greater impact. Our organization is fully supportive of the impending merger that SunTrust is contemplating with another financial institution. Both organizations have played a vital role in supporting our mission here in Broward County.

Again, thank you for your investment and your ongoing support of Broward County's young people, especially those who need us most.

Sincerely,

Brian Quail
