Subject: [EXTERNAL MESSAGE] Block Suntrust - BB&T mega-merger
Date: Friday, May 03, 2019 10:22:10 AM

Dear FDIC,

Please block the proposed merger of Suntrust and BB&T.

The resulting behemoth would be too big to hold accountable in any real way.

I prosecuted bank and tax fraud in Texas during the S&L crisis, and know a little bit about that.

It would also threaten the stability of the financial system, & would reportedly cost thousands of jobs.

That's neither a good look nor a good reality.

Sincerely,

Sarah McKee
