Re: Branch Banking & Trust (BB&T) and SunTrust Bank Merger

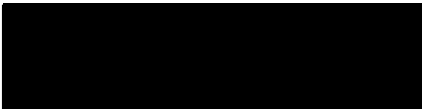

To Whom It May Concern:

General Corporation has worked with BB&T, and its predecessors, for over fifty years. BB&T provides our company with both commercial banking services and investment services. Our relationship manager provides us with superior customer service and our portfolio manager is pivotal in helping our company reach our financial goals.

In addition to banking services, BB&T is a true community partner and essential to the city of Charleston. Through attending events and providing the necessary funding, BB&T offers the whole package.

We are fully in support of the merger between BB&T and SunTrust Bank. We believe the combined entity will be good for the community and the BB&T associates.

Thank you,
