Subject: [EXTERNAL MESSAGE] BB&T/SunTrust Merger

To whom it may concern,

I am a practicing Real Estate Lawyer and a principal in (primarily) DC Multifamily real estate. I also have an ownership interest in 3 local property management companies.

In addition, I am a BB&T Wealth Customer and have a 3-decades long relationship with my Real Estate Lender, Charles Gebbert. My professional relationship with Charles preceded BB&T's acquisition of a community bank FCNB. At the point of BB&T's acquisition of FCNB, I was concerned that I would have an "institutional" banking relationship instead of the local and personal relationship that I have with Charles. He assured me that BB&T would support him in a manner where he could maintain his relationships with his clients. With few exceptions, BB&T has been true to their promise and afforded me to grow my real estate portfolio and expand my property management businesses.

If the past is prologue, I trust that my relationship with a newly merged BB&T/SunTrust will remain unchanged.

In light of the foregoing, I support the merger and look forward to an ever-expanding relationship with the "new" Bank.

Sincerely

Mark E. Brodsky, Esq.
