Subject: [EXTERNAL MESSAGE] RIN 3064-ZA27

This message was sent securely using ZixCorp.

This email is in regards to FIL56-2021. Our institution, FDIC# 30166, has participated in several remote exams over the past year and a half. I have been the contact for these exams and uploaded to FDICConnect. The process has been painless and the upload process is very simple. The main thing to communicate to Banks is to make sure they label each item before uploading to FDICConnect. I also placed each loan file in a separate folder and compressed the folder before uploading. I would encourage this process in the future. If you have any questions concerning this matter, call me any time.
Thanks!
