

To Whom it may concern,

Would we be considered inclusive under the new definition of Native Land Areas? Please view the attachment.

Pg. 100 of NPR of CRA, last Paragraph, "without displacing", this would effect Tribal Sovereignty. A Tribe's right to issue just compensation for takings for public use, USC Title 25, sec 1302(a) (5). This should be clarified as not to effect the free exercise of issuing Just Compensation.
