

## **National Community Reinvestment Coalition Webinar with Agency Staff Community Reinvestment Act NPR**

On August 2, 2022, National Community Reinvestment Coalition (NCRC) hosted a virtual webinar on the Community Reinvestment Act (CRA) Notice of Proposed Rulemaking (NPR). NCRC asked staff from the Board of Governors of the Federal Reserve System (Board), the Federal Deposit Insurance Corporation (FDIC), and the Office of the Comptroller of the Currency (OCC) (collectively, “the agencies”) to respond to questions that included modernization efforts like assessment area expansion and delivery channels; transparency measures such as standardized metrics and benchmarks; strengthening the core mission of CRA; and consideration of race. In responding to NCRC questions, agency staff referred to the NPR, including the preamble and regulatory text. Agency staff stressed the importance of submitting comments and encouraged attendees to submit comments before the comment period closes on Friday, August 5, 2022.
