Subject: [EXTERNAL MESSAGE] May 22, 2023 - Special Assessments Pursuant to Systemic Risk Determination - Notice of Proposed Rulemaking; Comment Request (RIN 3064-AF93)

Dear Mr. Sheesley,

I would like to express my objection to the proposal that small banks should incur a special assessment to pay for the failure of SVB and Signature. Those banks should have been properly regulated and NEVER have gotten to the point of failure.

Sincerely,
