(e) supervising and coordinating the construction, ownership, management, leasing and preservation of the Collateral as well as all other matters involved in the administration, preservation and ultimate disposition of the Collateral;

(f) to the extent consistent with the foregoing, seeking to maximize the timely and complete recovery of principal and interest on the Loans and otherwise to maximize the value of the Loans and the Collateral;

(g) except as otherwise set forth in this Agreement, making decisions under, and enforcing and performing in accordance with, the Loan Documents all loan administration, inspections, review of financial data and other matters involved in the servicing, administration and management of the Loans and the Collateral; and

Section 5.03 Retention of Servicer. On the date hereof, the Company shall enter into a Servicing Agreement to provide for the servicing and administration and management of the Loans and Collateral by a Qualified Servicer (the "**Servicer**"). Except for the period between the

Cut-Off Date and the Servicing Transfer Date, during which time the Loans shall be serviced by the Receiver pursuant to its interim servicing obligations in the Contribution Agreement, the Loans shall at all times be serviced (and any Collateral managed) by or through the Servicer, including any Subservicers permitted hereunder and engaged by the Servicer (“**Subservicers**”) and the performance of all day-to-day Servicing Obligations of the Company shall be conducted by or through the Servicer (including any Subservicers). Subject to the other terms and conditions of this Agreement, the Servicer may be an Affiliate of the Company. The Servicer may engage or retain Subservicers, including Affiliates of the Company, as it may deem necessary and appropriate, by entering into a subservicing agreement with each such Subservicer (“**Subservicing Agreement**”) and provided that any Subservicer meets the requirements set forth in clause (i), (iv) and (v) and, to the extent applicable to the services to be performed by such Subservicer, clauses (ii) and (iii) of the definition of Qualified Servicer. The costs and fees of the Servicer (and any Subservicers) shall be borne exclusively by the Company (and not Participant and, except for Company Advances that are reimbursed in accordance with this Agreement, without reduction in Participant’s Share or the amounts due hereunder with respect thereto). Under no circumstances is the Company to transfer to any Servicer any ownership interest in the servicing to the Loans or any right to transfer or sell the servicing to the Loans (other than in connection with the sale of any Loan), and no Servicer shall assign, pledge or otherwise transfer or purport to assign, pledge or otherwise transfer any interest in the servicing to the Loans (other than in connection with the sale of any Loan), and any purported assignment, pledge or other transfer in violation of this provision shall be void *ab initio* and of no effect.

(a) Servicing and Subservicing Agreement Requirements. Except as is otherwise agreed in writing by Participant, the Servicing Agreement (and any Subservicing Agreement with any Subservicer) shall, among other things, (i) provide for the servicing of the Loans and management of the Collateral by the Servicer (or Subservicer) in accordance with the Servicing Standard and the other terms of this Agreement; (ii) be terminable upon no more than 30 days prior notice in the Event of Default or any default under the Servicing Agreement (or Subservicing Agreement); (iii) provide that Participant as well as the Company (and, in the case of any Subservicing Agreement, the Servicer) shall be entitled to exercise termination rights upon the occurrence of any Event of Default; (iv) provide that the Servicer (or Subservicer) and the Company acknowledge that the Servicing Agreement (or Subservicing Agreement) constitutes a personal services agreement between the Company and the Servicer (or between the Servicer and the Subservicer); (v) provide that Participant is a third party beneficiary thereunder and entitled to enforce the same upon the occurrence of any Event of Default; (vi) upon the occurrence of any Event of Default, provide that Participant may exercise all of the rights of the Company (or, in the case of a Subservicing Agreement, the Servicer) thereunder and cause the termination or assignment of the same to any other Person, without penalty or payment of any fee; (vii) provide that Participant (and its representatives) shall have access to and the right to review, copy and audit the books and records of Servicer and any Subservicers and that the Servicer and all Subservicers shall make available their respective officers, directors, employees, accountants and attorneys to answer Participant’s (and its representatives) questions or to discuss any matter relating to the Servicer’s or Subservicer’s affairs, finances and accounts, as they relate to the Loans, the Collateral, the Servicing, or the Collection Account or any other accounts established or maintained pursuant to this Agreement or the Servicing Agreement, or any matters relating to this Agreement or the rights or obligations hereunder (to the extent provided in

Section 5.05); (viii) provide that all Loan Proceeds are to be deposited into the Collection Account on a daily basis and that under no circumstances are funds, other than Loan Proceeds and recoveries on Receiver Advances and interest and earnings thereon, to be deposited into the Collection Account; (ix) provide that the Servicer consents to the immediate termination of the Servicer upon the occurrence of any Event of Default as described in **Section 10.01(b)**; (x) provide that the Servicer shall not transfer or assign its rights under the Servicing Agreement, other than its rights to delegate to Subservicers certain responsibilities thereunder as and to the extent permitted by this Agreement, and that any prohibited transfer shall be void *ab initio*; (xi) provide that all of the Loans shall be registered on the MERS® system unless default, foreclosure or similar legal or MERS requirements dictate otherwise; and (xii) to provide for such other matters as are necessary or appropriate to ensure that the Servicer is obligated to comply with the Servicing Obligations of the Company hereunder. Nothing contained in the Servicing Agreement shall alter any obligation of the Company under this Participation Agreement (without reference to the Servicing Agreement) and, in the event of any inconsistency between the Servicing Agreement and the terms of this Agreement (without reference to the Servicing Agreement), the terms of this Agreement (without reference to the Servicing Agreement) shall control.

(b) Company Liable for Servicer and Subservicers. Notwithstanding anything to the contrary contained herein, the use of the Servicer (or Subservicer) shall not release the Company from any of its Servicing Obligations or other obligations under this Agreement, and the Company shall remain responsible and liable for all acts and omissions of the Servicer (and each Subservicer of the Servicer) as fully as if such acts and omissions were those of the Company. All actions of the Servicer (or Subservicer) performed pursuant to the Servicing Agreement shall be performed as an agent of the Company (or, in the case of Subservicers, the Servicer).

(c) Participant Approval Required. Each Servicer that does not have an Acceptable Rating, regardless of whether the Servicer is an Affiliate of the Company, shall be subject to the prior written approval of Participant (which approval shall not be unreasonably withheld, delayed or conditioned). A copy of all Servicing Agreements and Subservicing Agreements, as executed and delivered, and all amendments thereto, shall be provided to Participant.

(d) Regulation AB Requirements. The Company shall ensure that each Servicer (and any Subservicer) (A) has in place policies and procedures to comply with the provisions of Section 1122(d)(1)(i) through (iv) of Regulation AB, and (B) complies with the provisions of Sections 1122(d)(2)(i) through (vii), 1122(d)(3)(i) through (iv), and 1122(d)(4)(i) through (xv) of Regulation AB (regardless of whether any such requirements apply, by their terms, only to companies registered or required to file reports with the Securities and Exchange Commission).

(e) Servicer Fees. No Servicer or Subservicer shall be paid any fees or indemnified out of any Loan Proceeds, other than any Loan Proceeds paid or distributed to the Company in accordance with **Section 3.03(a)** or **Section 4.01**.

Section 5.04 Fidelity Bond; E&O Insurance. The Servicer and each Subservicer shall at all times maintain in effect a blanket fidelity bond and an errors and omissions insurance policy affording, in each case, coverage with respect to all officers, directors, employees and other Persons acting on behalf of the Servicer or the Subservicer, as applicable, and covering errors and omissions in the performance of the Servicer's, or the Subservicer's, as applicable, obligations under this Agreement, the Servicing Agreement and any Subservicing Agreement. The errors and omissions insurance policy and the fidelity bond shall be in such form and amount that would meet the requirements of Fannie Mae if Fannie Mae were the purchaser of the Loans. Copies of fidelity bonds and insurance policies required to be maintained pursuant to this Section shall be made available to Participant and its representatives upon request.

Section 5.05 Books and Records; Reports; Certifications; Audits.

(a) Maintenance of Books and Records. The Company shall cause to be kept and maintained (including by the Servicer and any Ownership Entity and including records transferred by Participant to the Company in connection with its conveyance of the Loans to the Company under the Contribution Agreement), at all times, at the Company's principal place of business, a complete and accurate set of files, books and records regarding the Loans and the Collateral, and the Company's and Participant's interests in the Loans and the Collateral, including records relating to the Collection Account, any Liquidity Reserve Account, any Litigation Reserve Account and Company Advances. This obligation to maintain a complete and accurate set of records shall encompass all files in the Company's custody, possession or control pertaining to the Loans and the Collateral, including all original and other documentation pertaining to the Loans and the Collateral, all documentation relating to items of income and expense pertaining to the Loans and the Collateral, and all of the Company's (and Servicers' and Subservicers') internal memoranda pertaining to the Loans and the Collateral.

(b) Retention of Books and Records. The Company shall cause all such books and records to be maintained and retained until the date that is the later of ten (10) years after the Effective Date of this Agreement or three (3) years after the date on which the Final Distribution is made. All such books and records shall be available during such period for inspection by Participant or its representatives (including any Governmental Authority) and agents at the office of the Company described in **Article XV** hereof at all reasonable times during business hours on any Business Day (or, in the case of any such inspection after the term hereof, at such other location as is provided by notice to Participant), in each instance upon two (2) Business Days' prior notice to the Company. Upon request by Participant, the Company, at the sole cost and expense of Participant, shall promptly send copies (the number of copies of which shall be reasonable) of such books and records to Participant. The Company shall provide Participant with reasonable advance notice of the Company's intention to destroy or dispose of any documents or files relating to the Loans and, upon the request of Participant, shall allow Participant, at its own expense, to recover the same from the Company.

(c) Monthly Reports. The Company shall cause to be furnished to Participant, on or prior to the fifteenth (15th) day of each month (or if the fifteenth (15th) day is not a Business Day, then the first Business Day thereafter), commencing on the fifteenth (15th) day of the first month following the Servicing Transfer Date, an electronic report on the Loans and Collateral (including the Collection Account, any Liquidity Reserve Account, any Litigation Reserve

Account and Company Advances) containing the information and substantially in the form set forth on Exhibit F or as may otherwise be agreed by the parties.

(d) Annual Compliance Certificates. The Company shall, and shall cause each Servicer and Subservicer to, deliver to Participant, on or before March 15 of each year, commencing in the year 2010, an officer's certificate stating, as to the signer thereof, that (i) a review of such party's activities during the preceding calendar year (or portion thereof) and of its performance under this Agreement (or, as applicable, the Servicing Agreement or any Subservicing Agreement) has been made under such officer's supervision, and (ii) to the best of such officer's knowledge and belief, based on such review, such party has fulfilled all of its obligations under this Agreement (or, as applicable, the Servicing Agreement or Subservicing Agreement) in all material respects throughout such year or portion thereof or, if there has been a failure to fulfill any such obligation in any material respect, specifying each such failure and the nature and status thereof. In the event a Servicer or any Subservicer was terminated, resigned or otherwise performed in such capacity for only part of a year, such party shall provide an officer's certificate pursuant to this Section with respect to such portion of the year.

(e) Annual Compliance Report. On or before March 15 of each year, commencing in the year 2010, the Company shall cause each Servicer and Subservicer, each at its own expense or the expense of the Company, to provide a report on an assessment of compliance with the servicing requirements in this Agreement that contains (i) a statement by such party of its responsibility for assessing compliance with such servicing requirements, (ii) a statement that such party used such servicing requirements to assess compliance with such servicing requirements, and (iii) such party's assessment of compliance with such servicing requirements for the preceding calendar year, including if there has been any material instance of noncompliance with such servicing requirements, a discussion of each such failure and the nature and status thereof.

(f) Audits. Until the later of the date that is ten (10) years after the Effective Date and the date that is three (3) years after the Final Distribution, the Company shall, and shall cause each Servicer and Subservicer to, (i) provide any representative of Participant (including any government agency or instrumentality), during normal business hours and on reasonable notice, with access to all of the books of account, reports and records relating to the Loans or any Collateral or the servicing thereof, or the Collection Account, any Liquidity Reserve Account, any Litigation Reserve Account, or any matters relating to this Agreement or the rights or obligations hereunder, (ii) permit such representatives to make copies of and extracts from the same, (iii) allow Participant to cause such books to be audited by accountants selected by Participant, and (iv) allow Participant's representatives to discuss the Company's and Servicer's and Subservicer's affairs, finances and accounts, as they relate to the Loans, the Collateral, the servicing, or the Collection Account, any Liquidity Reserve Account, any Litigation Reserve Account, or any matters relating to this Agreement or the rights or obligations hereunder, with its officers, directors, employees, accountants (and by this provision the Company hereby authorizes such accountants to discuss such affairs, finances and accounts with such representatives), Servicers and Subservicers, and attorneys. Any expense incurred by Participant and any reasonable out-of-pocket expense incurred by the Company in connection with the exercise by Participant of its rights in this Section shall be borne by Participant; provided, however, that any

expense incident to the exercise by Participant of its rights pursuant to this Section as a result of or during the continuance of an Event of Default shall in all cases be borne by the Company.

Section 5.06 Recovery of Expenses; Interest; Working Capital Advances. The Company shall cause commercially reasonable efforts to be used to recover from Borrowers and Guarantors those Company Advances and Receiver Advances which such Borrowers or Guarantors are obligated to pay. No Company Advances shall bear interest chargeable in any way to Participant. The Company shall make Working Capital Advances as required in **Section 3.02.**

Section 5.07 Company's Duty To Advise Participant; Delivery of Certain Notices. In addition to such other reports and access to records and reports as are required to be provided to Participant hereunder, the Company shall cause to be delivered to Participant such information relating to the Loans and Collateral as Participant may reasonably request from time to time and, in any case, shall ensure that Participant is promptly advised, in writing, of any matter of which the Company or the Servicer becomes aware relating to the Loans, any of the Collateral, the Collection Account, any Liquidity Reserve Account, any Litigation Reserve Account, or any Borrower or Guarantor that materially and adversely affects the interests of Participant hereunder. Without limiting the generality of the foregoing, the Company shall cause to be delivered to Participant information indicating any possible Environmental Hazards with respect to any Collateral. To the extent Participant requests information which is dependent upon obtaining such information from a Borrower, Guarantor or other third party, the Company shall cause to be made commercially reasonable efforts to obtain such information but it shall not be a breach by the Company of this Agreement if the Company fails to cause such information to be provided to Participant because a Borrower, Guarantor or other Person has failed to provide such information after such efforts have been made.

Section 5.08 Releases of Collateral. Subject to the provisions of Section 4.16(b) of the Contribution Agreement, the Company is authorized to cause the release or assignment of any Lien granted to or held by the Company on any Collateral upon payment of any Loan in full and satisfaction in full of all of the secured obligations with respect to a Loan, upon receipt of a discounted payoff as payment in full of a Loan, or upon a sale of the Loan to any Person.

Section 5.09 Certain Servicing and Loan Administration Decisions. Subject to the other terms and conditions of this Agreement (including the Servicing Standard), the Company shall have full power and authority, acting alone or through the Servicer and any Subservicers, to cause to be done any and all things in connection with the servicing and administration of the Loans that the Company may deem necessary or desirable, and cause to be made all servicing decisions in its reasonable discretion, including the following:

ARTICLE VI

LOAN DEFAULTS; ACQUISITION OF COLLATERAL

Upon the occurrence of an event of default under any of the Loan Documents, but subject to the other terms and conditions of this Agreement (including the Servicing Obligations of the Company), the Company shall cause to be determined the response to such default and course of action with respect to such default, including (a) the selection of attorneys to be used in connection with any action, whether judicial or otherwise, to protect the respective interests of the Company and Participant in the Loan and the Collateral, (b) the declaration and recording of a notice of such default and the acceleration of the maturity of the Loan, (c) the institution of proceedings to foreclose the Loan Documents securing the Loan pursuant to the power of sale contained therein or through a judicial action, (d) the institution of proceedings against any Guarantor, (e) the acceptance of a deed in lieu of foreclosure, (f) the purchase of the real property Collateral at a foreclosure sale or trustee's sale or the purchase of the personal property Collateral at a Uniform Commercial Code sale, and (g) the institution or continuation of proceedings to obtain a deficiency judgment against such Borrower or any Guarantor.

Section 6.02 Acquisition of Collateral. Nothing in this **Section 6.02** or anything else in this Agreement shall be deemed to affirmatively require the Company to cause to be acquired all or any portion of any Collateral with respect to which there exists any Environmental Hazards. Prior to acquisition of title to any Collateral (whether by foreclosure, deed in lieu of foreclosure, by power of sale or by sale pursuant to the Uniform Commercial Code, or otherwise), the Company shall cause to be commissioned with respect to such Collateral either (i) a Transaction Screen Process consistent with ASTM Standard E 1528-06, by an environmental professional or (ii) such other site inspections and assessments as would customarily be undertaken or obtained by a prudent lender in order to ascertain whether there are any actual or threatened Environmental Hazards (a "**Site Assessment**"), and the cost of such Site Assessment shall be reimbursable as if it were a Company Advance as long as the costs for such Site Assessment were not paid to any Affiliate of the Company, or any Affiliate of the Servicer or any Subservicer. If title to any Collateral with respect to which there exists any Environmental Hazards is to be acquired by foreclosure, by deed in lieu of foreclosure, by power of sale or by sale pursuant to the Uniform Commercial Code, or otherwise, title to such Collateral shall be taken and held in the name of a limited liability company or such other entity that is a Single Purpose Entity as the Company may choose (the "**Ownership Entity**"), whether already in existence or formed by the Company for such purpose. The Company or its wholly-owned subsidiary or Affiliate shall be the sole managing member of any Ownership Entity and Participant shall have a participation interest in the Acquired Collateral held by the Ownership Entity that provides for it to receive its Participant's Share in accordance with **Section 4.01** as if the Acquired Collateral were held by the Company. The purposes of the Ownership Entity shall be to hold the Acquired Collateral pending sale, complete construction of such Collateral, and operate the Collateral as efficiently as possible in order to minimize financial loss to the Company and Participant and to sell the Acquired Collateral as promptly as practicable in a way designed to minimize financial loss to the Company and Participant. Notwithstanding anything to the contrary contained herein, either the Ownership Entity shall be a pass-through entity with

no entity-level income tax obligations, or Participant's Share shall be allocated before accrual or payment of any income tax due by such Ownership Entity, and the Company shall indemnify and hold harmless Participant from and against any liability for any income taxes due by the Ownership Entity.

ARTICLE VII

PARTICIPANT CONSENT; LIMITS ON LIABILITY

Section 7.01 Actions Requiring Participant Consent. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not permit to be taken any of the following actions without the prior written consent of Participant, which may be withheld or conditioned in Participant's sole and absolute discretion:

- (a) the sale or other transfer of any Loan or Collateral (or any portion thereof) to any Affiliate of the Company, any Servicer or Subservicer, or any Affiliate of any Servicer or Subservicer;
- (b) the financing of the sale or other transfer of any Loan or Collateral (or any portion thereof), unless cash in an amount equal to Participant's Share of the sale price, after deduction of Company Advances related to such Loan or Collateral, is distributed to Participant;
- (c) the sale of any Loan or Collateral (or any portion thereof) that provides for any recourse against Participant or Participant's Share of the Loan Proceeds;

Section 7.02 Limitation of Liability.

(a) Company Liability Generally. Neither the Company nor any of its Affiliates, nor any of their respective officers, directors, employees, partners, principals or agents, including the Servicer and any Subservicer, shall be liable for any action taken or omitted to be taken by them or any one of them under this Agreement or in connection with any Loan or Collateral or any portion thereof, except for any act or omission constituting (i) gross negligence, bad faith or willful misconduct (including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law) or (ii) a material breach of this Agreement. The failure to obtain Participant consent as required by any provision of this Agreement and the failure to

comply with the obligations in **Section 8.01** shall be considered a material breach of this Agreement and gross negligence on the part of the Company. Neither the Company nor any of its Affiliates, nor any of their respective officers, directors, employees, partners, principals or agents, including the Servicer and any Subservicer, shall be liable to Participant for any action taken or omitted to be taken by Participant.

(b) Reliance on Notices, etc. Neither the Company nor Participant shall incur any liability to the other by acting in good faith upon any notice, consent, certificate or other instrument or writing (including telegram, cable, telex or telecopy) that is reasonably believed by the Company or Participant, as applicable, to be genuine and to have been signed or sent by the proper party and that on its face is properly executed.

(c) Participant Liability Generally. In the event Participant exercises its rights pursuant to **Article X**, neither Participant nor any of its officers, directors, employees, attorneys or agents, including any Servicer and any Subservicer, shall be liable for any action taken or omitted to be taken by them or any one of them under this Agreement or in connection with any Loan or Collateral or any portion thereof, except for any act or omission constituting willful misconduct.

(d) No Consequential Damages. Regardless of the legal theory upon which any claim by or against the Company or Participant is based, including any claim based on contract, tort, strict liability, or fraud, neither Participant nor the Company shall be liable for, or may recover from the other, any amounts other than actual losses, costs and expenses (including reasonable attorneys' fees and litigation and similar costs to pursue such recovery) incurred by the party asserting the claim. Without limiting the foregoing, neither party shall be liable for, or entitled to recover from the other party, any consequential, special, indirect, punitive, treble, nominal or exemplary damages, business interruption costs or expenses, or damages for lost profits, operating losses or lost investment opportunity (regardless of whether any such damages are characterized as direct or indirect), each of which is and all of which are hereby excluded by agreement of Participant and the Company, regardless of whether the party against whom such damages may be claimed has been advised of the possibility of any such damages, unless (in each case) such losses are incurred by the party asserting the claim as a direct result of a claim asserted against such party by a third party. For purposes of this Section, the following claims shall not constitute claims asserted by a third party: (A) with respect to the Company, any claims asserted by (1) any Servicer or Subservicer, (2) any Affiliate of any of the Company or any Servicer or Subservicer, and (3) any officer, director, employee, partner, principal or agent of any of the Company, any Servicer or Subservicer, or any Affiliate of the Company, any Servicer or Subservicer; and (B) with respect to Participant, any claims asserted by any Affiliate or officer, director, employee, partner, principal or agent of Participant or any Affiliate.

ARTICLE VIII

Section 8.01 Covenants. The Company hereby covenants with Participant as follows:

(a) Company Status; Licensing. The Company shall, at all times, be a single member limited liability company organized under the laws of the State of Delaware and a Single Purpose Entity. As soon as reasonably practical after the Effective Date the Company shall apply for and, thereafter, use its reasonable best efforts to obtain, as quickly as possible, and maintain all such licenses as are required to conduct its business, including qualifications to conduct business in jurisdictions other than Delaware and licenses to purchase, own or service the Loans, if the failure to so obtain such licenses would reasonably be expected to result in the imposition of fines, penalties or other liabilities on the Company, claims and defenses being asserted against the Company (including counterclaims and defense asserted by Borrowers), or materially adversely affect the Company or the Company's ability to foreclose on the Collateral securing or otherwise realize the full value of any Loan or Acquired Collateral.

(b) Company Obligations. The Company (i) shall at all times have in effect and be subject to the Company Operating Agreement, (ii) except as is otherwise expressly permitted therein, shall amend the Company Operating Agreement only with the prior written approval of Participant, and (iii) shall not enter into or allow itself to become subject to any other constituent documents inconsistent with any terms of the Company Operating Agreement.

(c) Document Custodian. The Company shall retain and enter into and, at all times, be a party to a Custodial Agreement with a document custodian (the "**Document Custodian**") who is a Qualified Custodian and such Document Custodian shall at all times have custody and possession of the Notes and other Custodial Documents. At no time shall the Company have more than one Document Custodian. The fees and expenses paid to the Document Custodian shall be no more than market rates and the Custodial Agreement shall be terminable by the Company and Participant upon no more than thirty (30) days notice, without cause thereunder. In the event that the Company (or its Servicer) removes any Notes or other Custodial Documents from the possession of the Document Custodian (which shall be done only in accordance with the Custodial Agreement), (i) any loss or destruction of or damage to such Notes or Custodial Documents shall be the liability of the Company (who, along with its Servicer shall be responsible for safeguarding such Notes and Custodial Documents), and (ii) such Notes shall be returned to the Document Custodian within the time provided under the applicable Uniform Commercial Code to maintain Participant's perfection thereof by possession. If any Notes or Custodial Documents are removed in connection with the modification or restructuring of a Loan, the modified or restructured Notes and any Custodial Documents removed in connection therewith shall be returned to the Document Custodian as soon as possible following the completion of the restructuring or modification (and, in any event, in accordance with clause (ii) of the immediately preceding sentence). The Company shall ensure that Participant receives a copy of each demand, notice or other communication given under the Custodial Agreement at the time that such notice or other communication is given thereunder.

(d) Relationships with Borrowers, etc. The Company shall not, at any time, (i) be a partner or joint venturer with any Borrower, (ii) be an agent of any Borrower, or allow any Borrower to be an agent of the Company, or (iii) except as is otherwise contemplated by its ownership of the Loans and its right to hold Acquired Collateral, have any interest whatsoever in any Borrower, Guarantor or other obligor with respect to any Loan or any of the Collateral.

(e) No Conflicting Obligations. The Company shall not, at any time, enter into or become a party to any agreement that would conflict with the terms of this Agreement.

(f) Compliance with Law. The Company shall, at all times, comply with applicable Law in connection with the performance of its obligations under this Agreement.

(g) No Company Debt. Without limiting its obligation to constitute a Single Purpose Entity, the Company shall not, at any time, incur any Debt.

(h) No Dissolution or Liquidation. The Company shall not dissolve or liquidate at any time prior to such time as the Company makes the Final Distribution and this Agreement is terminated.

(i) No Bankruptcy Filing. The Company shall not (i) file a voluntary petition for bankruptcy, (ii) file a petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any Law, (iii) make an assignment for the benefit of creditors, (iv) seek, consent or acquiesce in the appointment of a trustee, receiver or liquidator or of all or any substantial part of its properties, (v) file an answer or other pleading admitting or failing to contest the material allegations of (A) a petition filed against it in any proceeding described in clause (i) through (iv), or (B) any order adjudging it a bankrupt or insolvent or for relief against it in any bankruptcy or Insolvency Proceeding, or (vi) allow itself to become unable to pay its obligations as they become due or allow the sum of its debts to be greater than all of its property, at a fair valuation.

(j) No Liens. The Company shall not place or permit (voluntarily or involuntarily) any Lien to be placed on any of the Loans, the Loan Documents or the Loan Proceeds (other than the security interest granted to Participant hereunder), and shall not take any action to interfere with Participant's rights as a secured party with respect to the Loans.

(k) Servicer. The Company shall at all times cause its Servicing Obligations under this Agreement to be performed by a Servicer that is a Qualified Servicer.

(l) MERS Member. The Company shall become a member of MERS on or before the Servicing Transfer Date and, for so long as this Agreement is in effect, maintain itself as a MERS member in good standing (including paying all dues and other fees required to maintain its membership, which costs shall not constitute Company Advances, and complying with MERS policies and procedures). The Company shall give prompt written notice of any disciplinary action instituted with respect to its failure to pay any fees required in connection with its use of the MERS® system or otherwise comply with any MERS policies or procedures.

Section 8.02 Indemnification.

(a) The Company shall indemnify and hold harmless Participant and Participant's Affiliates, and their respective officers, directors, employees, partners, principals, agents and contractors (the "**Indemnified Parties**") from and against any losses, damages, liabilities, costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or

preparing the defense or assertion of any of the foregoing), deficiencies, claims, interest, awards, judgments, penalties and fines (collectively, “**Losses**”) arising out of or resulting from (i) any breach by the Company or any of its Affiliates or any of their respective officers, directors, employees, partners, principals, agents or contractors (including any Servicer or Subservicer) of any of the Company’s obligations under or covenants or agreements contained in this Agreement (including any claim asserted by Participant against the Company to enforce its rights pursuant to **Section 10.02** or by any third party and including any breach caused by any Servicer or Subservicer), or any third-party allegation or claim based upon facts alleged that, if true, would constitute such a breach, or (ii) any gross negligence, bad faith or willful misconduct (including any gross negligence, bad faith or willful misconduct of any Servicer or Subservicer and including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law). Such indemnity shall survive the termination of this Agreement. In order for an Indemnified Party to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a Loss or a claim or demand made by any Person against the Indemnified Party (a “**Third Party Claim**”), such Indemnified Party shall deliver notice thereof to the Company promptly after receipt by such Indemnified Party of written notice of the Third Party Claim, describing in reasonable detail the facts giving rise to any claim for indemnification hereunder, the amount of such claim (if known) and such other information with respect thereto as is available to the Indemnified Party and as the Company may reasonably request. The failure or delay to provide such notice, however, shall not release the Company from any of its obligations under this **Section 8.02** except to the extent that it is materially prejudiced by such failure or delay.

(b) If for any reason the indemnification provided for herein is unavailable or insufficient to hold harmless the Indemnified Parties, the Company shall contribute to the amount paid or payable by the Indemnified Parties as a result of the Losses of the Indemnified Parties in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties, on the one hand, and the Company (including any Servicer or Subservicer), on the other hand in connection with a breach of the Company’s obligations under this Agreement.

(c) If the Company confirms in writing to the Indemnified Party within fifteen (15) days after receipt of a Third Party Claim the Company’s responsibility to indemnify and hold harmless the Indemnified Party therefore, the Company may elect to assume control over the compromise or defense of such Third Party Claim at the Company’s own expense and by the Company’s own counsel, which counsel must be reasonably satisfactory to the Indemnified Party, provided that (i) the Indemnified Party may, if such Indemnified Party so desires, employ counsel at such Indemnified Party’s own expense to assist in the handling (but not control the defense) of any Third Party Claim; (ii) the Company shall keep the Indemnified Party advised of all material events with respect to any Third Party Claim; (iii) the Company shall obtain the prior written approval of the Indemnified Party before ceasing to defend against any Third Party Claim or entering into any settlement, adjustment or compromise of such Third Party Claim involving injunctive or similar equitable relief being imposed upon any Indemnified Party or any of its Affiliates; and (iv) the Company will not, without the prior written consent of each Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened action in respect of which indemnification may be sought hereunder (whether or not any such Indemnified Party is a party to such action), unless such settlement, compromise or consent by

its terms obligates the Company to satisfy the full amount of the liability in connection with such Third Party Claim and includes an unconditional release of the Indemnified Party from all liability arising out of such Third Party Claim.

(d) Notwithstanding anything contained herein to the contrary, the Company shall not be entitled to control (and if the Indemnified Party so desires, it shall have sole control over) the defense, settlement, adjustment or compromise of (but the Company shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise): (i) any Third Party Claim that seeks an order, injunction or other equitable relief against the Indemnified Party or any of its Affiliates; (ii) any action in which both the Company (or any Affiliate) and the Indemnified Party are named as parties and either the Company (or such Affiliate) or the Indemnified Party determines with advice of counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the other party or that a conflict of interest between such parties may exist in respect of such action; and (iii) any matter that raises or implicates any issue relating to any power, right or obligation of the Federal Deposit Insurance Corporation (in any capacity) under any Law. If the Company elects not to assume the compromise or defense against the asserted liability, fails to timely and properly notify the Indemnified Party of its election as herein provided, or, at any time after assuming such defense, fails to diligently defend against such Third Party Claim in good faith, the Indemnified Party may pay, compromise or defend against such asserted liability (but the Company shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise). In connection with any defense of a Third Party Claim (whether by the Company or the Indemnified Party), all of the parties hereto shall, and shall cause their respective Affiliates to, cooperate in the defense or prosecution thereof and to in good faith retain and furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may be reasonably requested by a party hereto in connection therewith.

(e) Under no circumstances shall any liability of the Company under the provisions of this **Section 8.02** constitute a Company Advance or otherwise be charged to Participant or deducted from Participant's Share.

ARTICLE IX

CLEAN-UP CALL

Section 9.01 Clean-Up Call Rights. The selection of any financial adviser or other third party broker or sales agent retained for the liquidation of the remaining Loans and Acquired Collateral pursuant to this Section shall be subject to the prior approval of Participant, such approval not to be unreasonably withheld, delayed or conditioned. In the event the remaining Loans and Collateral are not liquidated by the date specified in the notice provided by Participant pursuant to **Section 9.02**, Participant shall be entitled to liquidate the remaining Loans and Collateral in its discretion and the Company shall cooperate and assist with such liquidation to the extent reasonably requested by Participant. In the event the Company or any Affiliate thereof desires to bid to acquire the remaining Loans and Collateral, then Participant shall be entitled to liquidate the remaining Loans and Collateral in its discretion. In the event Participant undertakes to liquidate the remaining Loans and Collateral pursuant to this Section, all costs and expenses incurred by it shall be deducted from the Loan Proceeds and, after reimbursing the Company for any Company Advances to which it is entitled pursuant to this Agreement, the remaining Loan Proceeds shall be allocated between and distributed to Participant and the Company in accordance with **Section 4.01**.

ARTICLE X

(a) Any failure by the Company to cause to be allocated any amount required to be allocated to Participant under the terms of this Agreement or to cause to be remitted to Participant any payment required to be made to Participant under the terms of this Agreement, as set forth in the monthly cash flow and distribution report, in either case which continues unremedied until 12:00 p.m. New York time on the Business Day immediately following the date upon which written notice of such failure, requiring the same to be remedied, shall have been given to the Company; or

Section 10.02 Remedies Upon Events Of Defaults.

(a) General. Upon the occurrence of an Event of Default, in addition to any other rights it may have pursuant to this Agreement, any Ancillary Document or applicable Law (including the Uniform Commercial Code), whether at law or in equity and whether pursuant to statute or regulation or otherwise, and any or all of which may be exercised at Participant's option and the Company's expense, Participant shall have the right to take, at Participant's option and the Company's expense, one or more of the following actions: (i) upon notice in writing to the Company (effective at such time as is specified in such notice), to act on behalf of the Company to terminate the existing Servicer (and any Subservicers) and to cause the Company to enter into a new Servicing Agreement with a servicer (a "successor Servicer") selected by Participant (in its sole and absolute discretion), and (ii) upon notice in writing to the Company (effective at such time as is specified in such notice), to terminate the Company's rights as servicer pursuant to this Agreement and, in such case, (A) to terminate the Servicer and select (in its sole and absolute discretion), and enter into a Servicing Agreement with, a successor Servicer, such Servicing Agreement to be between Participant and the successor Servicer chosen by Participant, or (B) to retain the existing Servicer and to enter into a new Servicing Agreement between Participant and the Servicer (or to effect an assignment of the existing Servicing Agreement from the Company to Participant). Participant shall have no obligation to assume any obligations or liabilities of the Company under or in connection with any Servicing Agreement. Notwithstanding the foregoing, Participant shall not exercise its right to terminate the Servicer in the absence of (1) an Event of Default as described in **Section 10.01(a)** if such Event of Default is due to the failure by the Servicer to perform any material obligation under the Servicing Agreement, (2) an Event of Default as described in **Section 10.01(b)** with respect to the Servicer or any Affiliate thereof or Any Subservicer or any Affiliate thereof, or **Section 10.01(c)** with respect to the Servicer or any Subservicer, or if the Servicer is an Affiliate of the Company, with respect to the Company or any Affiliate of the Company, (3) an Event of Default as described in **Section 10.01(e)(i)** as a result of the failure of the Servicer at any time to meet the criteria of a Qualified Servicer, or **Section 10.01(h)(i)**, or (4) any other Event of Default that consists of a breach of a servicing obligation under this Agreement. In addition, the Company hereby consents to the immediate termination of the Servicer upon the occurrence of any Event of Default described in **Section 10.01(b)**.

(b) Appointment of Successor Servicer. If Participant exercises its right to act on behalf of the Company to appoint a successor Servicer, the costs and expenses associated with such successor Servicer (including any servicing fees) shall be borne by the Company (and not Participant), and no termination or other fee shall be due to the Company or the Servicer or any Subservicer in connection with or as a result of any such action. All authority and power of the Company to act with respect to the terminated Servicer shall pass to and be vested in Participant under this Section and, without limitation, Participant is hereby authorized and empowered, as

attorney-in-fact or otherwise, to execute and deliver, on behalf of and at the expense of the Company, any and all documents and other instruments and to do or take any and all acts necessary or appropriate to effect the termination of the Servicer and the replacement of the Servicer with a successor Servicer.

(c) Termination of Company's Rights as Servicer. If Participant exercises its right pursuant to this Section to terminate the Company's rights as servicer under this Agreement, all authority and power of the Company to act as servicer under this Agreement shall pass to and be vested in Participant under this Section and, without limitation, Participant is hereby authorized and empowered, as attorney-in-fact or otherwise, to execute and deliver, on behalf of and at the expense of the Company, any and all documents and other instruments and to do or take any and all acts necessary or appropriate to effect the termination and replacement of the Servicer and, in the event Participant decides to retain the Servicer, to enter into a new Servicing Agreement between Participant and the Servicer or to effect an assignment of the existing Servicing Agreement from the Company to Participant. Participant shall have and be entitled to exercise all rights of the Company as servicer under this Agreement and the costs and expenses associated with any such successor Servicer or the existing Servicer (including any servicing fees) shall be borne by the Company (and not Participant).

(d) Cooperation To Facilitate Transfer. In any event, if a Servicer or Subservicer is terminated pursuant to the provisions of this **Article X**, the Company shall, and shall cause any Servicer (and any Subservicer) to, provide Participant and any successor Servicer in a timely manner with all documents, records and data (including electronic documents, records and data) requested by Participant or any successor Servicer to enable it and any successor Servicer to assume the responsibilities as servicer under this Agreement, and to cooperate with Participant in effecting the termination of any Servicer (or Subservicer) or the Company's rights as servicer under this Agreement, including (x) the transfer within one (1) Business Day of all cash amounts which, at the time, shall be or should have been credited to the Collection Account or are thereafter received with respect to any Loans or Acquired Collateral, and (y) the transfer of all lockbox accounts with respect to which payments or other amounts with respect to the Loans are directed or the redirection of all such payments and other amounts to such account as Participant may specify, and (z) the assignment to Participant of the right to access all such lockbox accounts, the Collection Account, any Liquidity Reserve Account, any Litigation Reserve Account and any other account into which Loan Proceeds or Borrower escrow payments are deposited or held. Following the taking of any action pursuant to this **Article X**, the Company shall continue to be entitled to be reimbursed for Company Advances but only to the extent that it was entitled to reimbursement of Company Advances prior to such action. The Company shall be liable for, and Participant shall be entitled to deduct from the Company's Share, all costs and expenses incurred by Participant (x) associated with the complete transfer of the servicing data, (y) associated with the completion, correction or manipulation of servicing data as may be required to correct errors or insufficiencies in the servicing data to enable Participant and any successor Servicer (and Subservicers) to service the Loans and Acquired Collateral properly and effectively, and (z) to retain and maintain the services of a successor Servicer (and any Subservicers). Within a reasonable time after receipt of a written request of the Company for the same, Participant shall provide reasonable documentation evidencing such costs and expenses, but Participant's right to deduct such costs

and expenses from the Company's Share shall not be subject to or contingent upon the provision of such documentation.

(e) Power of Attorney. The Company hereby irrevocably constitutes and appoints Participant and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact for the purposes of this Agreement and allowing Participant to perfect, preserve the validity, perfection and priority of, and enforce any lien granted by this Agreement and, after the occurrence and during the continuance of any Event of Default, to exercise its rights, remedies and powers and privileges under this Agreement. This appointment as attorney-in-fact is irrevocable and coupled with an interest until this Agreement is terminated and the security interests created hereby are released. Without limiting the generality of the foregoing, Participant shall be entitled under this **Section 10.02(e)** to do any of the following if an Event of Default has occurred and is continuing: (i) ask, demand, collect, sue for, recover, receive and give receipt and discharge for amounts due and to become due under and in respect of any or all of the Loans; (ii) file any claims or take any action or proceeding in any court of law or equity that Participant may reasonably deem necessary or advisable for the collection of all or any part of the Loans, defend any suit, action or proceeding brought against the Company with respect to any Loan, and settle, compromise or adjust any such suit, action or proceeding; (iv) execute, in connection with any sale or disposition of the Loans, any endorsements, assignments, bills of sale or other instruments of conveyance or transfer with respect to all or any part of the Loans; (v) enforce the rights of the Company under any provision of any Servicing Agreement to the extent permitted thereunder and under the terms of this Agreement; (vi) pay or discharge taxes and Liens levied or placed on the Loans; (vii) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Loans as fully and completely as though Participant were the absolute owner thereof for all purposes; and (viii) do, at Participant's option and the Company's expense, at any time and from time to time, all acts and things that Participant reasonably deems necessary to protect, preserve, or realize upon the Loans and Participant's security interests therein and to effect the intent of this Agreement, all as fully and effectively as the Company might do. Anything in this Section to the contrary notwithstanding, Participant agrees that it shall not exercise any right under the power of attorney provided for in this Section unless an Event of Default shall have occurred and be continuing.

(f) Offsets. Without limiting any other rights of Participant hereunder, in the event Participant exercises any rights or remedies as a result of or in connection with the occurrence of an Event of Default, all costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any claim) incurred by Participant with respect thereto may be offset by Participant against the Company's Share.

ARTICLE XI

RELATIONSHIP BETWEEN PARTICIPANT AND THE COMPANY

It is expressly understood and agreed that, with respect to this Agreement and the transactions contemplated hereby, as between themselves, Participant and the Company each hereby acknowledge and agree that Participant is participating in the ownership of the Loans and Participant and the Company are not investing in a common enterprise or partnership with each

other. Each of the Company and Participant acknowledges that it shall occupy the status of, act as and be considered independent contractors and neither shall in any event be considered an agent, creditor, partner or employee of the other, it being the intent of the Parties that this Agreement shall not constitute nor be construed to create a partnership or joint venture of any kind between Participant and the Company.

ARTICLE XII

ASSIGNMENT

Section 12.01 No Assignment by Company. The Company shall not sell participations in the Loans or assign or delegate this Agreement or, except as is required by **Section 5.03**, any rights or obligations hereunder to any other Person, without the prior written consent of Participant, which consent may be withheld or conditioned in Participant's sole and absolute discretion. Any purported sale, sub-participation or assignment or delegation in violation of the preceding sentence shall be void *ab initio* and of no force or effect whatsoever. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Company and its respective successors and permitted assigns. The Company hereby acknowledges and agrees that this Agreement constitutes a personal services agreement between the Company and Participant.

Section 12.02 Assignments by Participant. Participant shall be entitled to sell and assign all (but not part) of its Participation Interest (and the entire Participation Interest will be sold and transferred as a single participation interest) and, in conjunction therewith, its rights and obligations under this Agreement subject to applicable Law and the provisions of this **Article XII**. Participant's right to sell and transfer its Participation Interest (and assign its rights and obligations under this Agreement) to any other Person, shall be subject to the following provisions:

(a) Transfer Supplement. Except as provided in **Section 12.02(b)**, any such assignment shall be made pursuant to a Transfer Supplement in substantially the form attached hereto as Exhibit G, duly completed, with such immaterial changes thereto as Participant and the transferee shall agree upon (a "Transfer Supplement"). Upon the execution and delivery of a Transfer Supplement by Participant and transferee, the same shall be delivered to the Company and, upon receipt, the Company shall acknowledge the same and be deemed to have accepted such Transfer Supplement. From and after the close of business at the Company's office at 2700 Agoura Road, Calabasas, CA 91301, on the Transfer Effective Date specified in such Transfer Supplement, the transferee shall be a party hereto and, to the extent provided in such Transfer Supplement, shall have the rights and obligations of Participant hereunder.

(b) Transfer to FDIC. The Receiver, as the initial Participant, shall be entitled to transfer the Participation Interest to the FDIC (in any capacity) at any time, without the execution and delivery of a Transfer Supplement. Upon written notice of any such transfer delivered to the Company, the Company shall be deemed to have acknowledged such transfer and shall reflect such transfer on its books and in the register in which ownership of the Participation is recorded. The transfer of the Participation Interest shall be deemed to be effective on the transfer date specified by the FDIC in its notice to the Company of such transfer

unless such notice is not provided pursuant to the provisions of this Section within seven (7) Business Days after such date, in which case the transfer shall be deemed to be effective on the date on which such notice is received by the Company (the “**Deemed Effective Date**”). From and after the Transfer Effective Date specified in such Transfer Supplement or the Deemed Effective Date, as applicable, the transferring Participant shall be released from any obligations it may have under this Agreement and shall cease to be a party to this Agreement.

(c) Exchange of Participation Certificate. Upon any such assignment, the Participation Certificate held by the transferor shall be exchanged and a new Participation Certificate, as necessary to evidence each transferee and its interest, evidencing such transfer shall be issued.

ARTICLE XIII

LENDERS’ TITLE INSURANCE; RIGHTS TO PAYMENTS

Section 13.01 Title Policies. The Company and Participant hereby acknowledge and agree that the title policies insuring the Lien of the Collateral Documents securing the Loans which are required by the Loan Documents were issued in favor of Participant as the only insured thereunder; and have been or will be endorsed to reflect the Company as the only insured, but that Participant shall share in the Company’s interest therein, including any recovery thereunder, in accordance with the terms of this Agreement.

Section 13.02 Sharing of Payments. Except as otherwise expressly set forth herein, neither the Company nor Participant shall obtain any payment or payments (whether voluntary or involuntary, through the exercise of any right of set-off or otherwise) to be applied on account of its interest in the Loans unless such payment or payments shall be shared by Participant and the Company in accordance with the terms of this Agreement. If any such payment or payments are rescinded, set aside or otherwise recovered by or on behalf of the Person from whom the payment or payments are received, or by or for the creditors of such Person, then any such payment or payments made to the Company or Participant pursuant to the preceding sentence shall be returned by the Company or Participant against whom such recovery is made.

ARTICLE XIV

TERMINATION

At such time as the Final Distribution has been made, and all amounts due to Participant under and in accordance with this Agreement have been received by Participant, this Agreement shall be terminated and Participant shall have no further rights or remedies under this Agreement or with respect to the Loans, provided, however, that the provisions of **Section 5.05(b)**, **Section 5.05(f)**, **Section 7.02**, **Section 8.02**, **Article X**, **Article XI**, **Article XIV**, **Article XV**, **Article XVI**, **Article XVII** and **Article XIX** and Participant’s rights thereunder and remedies for a breach thereof, shall survive the termination of this Agreement until such time as the obligations under **Section 5.05(b)** and **Section 5.05(f)** expire by their terms.

ARTICLE XV

This Agreement and any amendments hereto, to the extent signed and delivered by facsimile or other electronic means, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No signatory to this Agreement shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation or enforceability of a contract and each such Person forever waives any such defense.

Nothing in this Section is intended to, or shall, limit (1) the ability of any party to this Agreement to appeal any court ruling or the effect of any favorable ruling on appeal or (2) the intended effect of **Section 16.01**.

Section 19.06 No Third Party Beneficiaries. Section 19.09 No Presumption. This Agreement shall be construed fairly as to each party hereto and if at any time any such term or condition is desired or required to be interpreted or construed, no consideration shall be given to the issue of who actually prepared, drafted or requested any term or condition of this Agreement or any agreement or instrument subject hereto.

Section 19.10 Amendments and Waivers. No provision of this Agreement may be amended or waived except in writing executed by all of the parties to this Agreement.
