## STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Quinnipiac Bank & Trust Company (the Bank), a proposed Connecticut-chartered nonmember bank, to be located at 2600 Dixwell Avenue, Hamden, New Haven County, Connecticut.

The Bank plans to offer a full line of commercial and consumer bank products and services in the Hampden, Connecticut, and open branches in New Haven and North Haven, Connecticut within 18 months.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. The prospects for meeting the convenience and needs of the community are favorable. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
