Subject: [EXTERNAL MESSAGE] July 31, 2024 - Bank-Fintech Arrangements Involving Banking Products and Services Distributed to Consumers and Businesses; Comment Request (RIN 3064-ZA43)
Date: Tuesday, September 24, 2024 9:49:11 PM

I am an end-user of the Juno Finance App listed on the Apple Store. I was promised funds stored with the App would be FDIC insured.

This was a lie.

It has now been over 4 months where I and many other users are not able to access our money. Evolve Bank claims there is a deficit of funds. What happened to the money?
